To Attorneys,

And to whom it may concern:

I beg to call your attention to my capabilities as an auctioneer, and respectfully solicit such business as might be at your disposal. I act as referee; conduct such sales as are formally demanded in the transaction of legal affairs; make appraisements and act as administrator of estates. I have all the facilities necessary for the successful conduct of this special class of business. I am a licensed auctioneer, thoroughly familiar with all the requirements demanded in the office as such, and PERSONALLY CONDUCT all sales. In short, I will take full and complete charge of all affairs appertaining to real estate.

Real Estate Owners.

My Real Estate Department is devoted to the listing and sale of Realty, and is most thoroughly equipped. My methods are peculiarly my own and are uniformly of satisfaction to all with whom I have business relations, as in all the departments the utmost courtesy is extended to all. Special attention given to the subdivisions of outlying tracts. Twenty-five and more years experience justifies this statement.

House Renting —AND— Collecting of Rents

In no department of the real estate business should greater caution be exercised than in these departments. EXPERIENCE, TRUSTWORTHINESS, AND AFFABILITY are absolutely necessary. Good judgment, business foresight and a devotion to the interests of my clients, while being guided by their personal preferences is my assurance I give to those placing their business in my hands.

GREAT DAY FOR PICNICS

NOT EVERYBODY WENT TO THE RACES.

Kamehameha's Birthday Was Celebrated by Many Under Trees and in the Open Air—Children Festivities.

There were fully twelve hundred people present at the Central Union Church picnic on the grounds of Oahu college. There were games and sports and all manner of pleasant diversions to make the day a pleasant one.

Mrs. Fred J. Lowrey was in charge of the Refreshment Committee's work and no committee's work was ever better done.

The various departments of the work of providing for the picnic were in the hands of the following:

A. J. Coats, of the Young Men's Christian Association, was in charge of the games, and he was assisted by Richard Cooke, William Williamson, Alfred Castle, P. C. Atterton, Mr. Howland, Mr. Forbes, G. B. McClellan, Miss Adele Widdfield, Mrs. C. B. Hyde, Miss A. Forbes, Miss Yarrow, Miss Klingel, Mrs. Brown and Miss Hall.

The finances of the picnic were looked after by J. B. Atherton and A. B. Wood. President Homer of Oahu College donated the use of the grounds. J. Shaw and W. W. Hall arranged for the transportation of the picnickers to the grounds by the street cars. Edwin Benner, S. P. Frena and W. T. Paty provided the tents and tables.

The subsidiary committees were as follows:

The members of the Sunday school and its friends held their annual picnic at the Peninsula, Pearl Harbor. There were fully two hundred and fifty present.

The committee in charge was made up of the pastor of the church, Rev. G. L. Pearson, H. C. Chamberlain, superintendent of the Sunday school, J. A. Lyle, and M. G. Johnson.

The Portuguese of the Protestant Portuguese Mission church enjoyed a pleasant outing yesterday afternoon at Raymond Grove, Pearl Harbor. About 250 members of the congregation and their children and friends attended the picnic.

The Kamehameha Alumni had a house warming of their elegant new club house last evening. The building was handsomely decorated with flowers and bunting. W. O. Smith presented the keys of the house to the new president W. O. Crowell. There was a musical and literary program and refreshments were served.

THE LOCK AND THE KEY.

You can operate a lock only with the key that fits it. Very well. So you can cure a disease only with the medicine that goes down to the cause of it. Now, many so-called diseases are in truth only forms of one disease, branches of one tree, as we may say. For example, if we can nourish the body and enrich the blood, we speedily get rid of many of our troubles, such as Anemia, Fevers, Rheumatism, Scrofula and Blood Disorders, Rickets in children, Lung Diseases, etc.—all proofs that the body lacks vitality and force. Nothing is so effective a body-builder as cod liver oil; but, alas, how many are nauseated at the very thought of it. In

WAMPOLE'S PREPARATION, which is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, we have the rose without the thorn; the valuable drug minus its vile taste. Add to this the Compound Syrup of Hypophosphites for making bone, and the Extracts of Malt and Wild Cherry for equally excellent purposes, and we have a remedy indeed; one as pleasing to the palate and stomach as it is potent and successful in banishing disease in old or young and making life worth having. "You cannot be disappointed in it." More lives have been saved by it, than by any other medicine; you get an effective remedy while seeming to be using only a palatable food. "Dr. G. C. Shannon, of Canada, says:—I shall continue its use with, I am sure, great advantage to my patients, and satisfaction to myself." Has all the virtues of cod liver oil; none of its faults. It is not like the old things; it supersedes them. One bottle convinces. Genuine only with trade mark is effective from the first dose. Sold by all chemists.

A SMASH-UP.

A Japanese bicycle rider met with a smash-up at noon today at the corner of Fort and King streets. In trying to pass in front of a car he ran into a hack and was knocked down, receiving a blow that brought a lot of blood from his nose. The wheel was badly broken.

ACUTE GASTRITIS.

Miss Margaret H. Rees, a nurse in the Victoria Hospital for Incurables, who is said to have taken a quantity of bi-chloride of mercury, a few nights before she died, died last Saturday. A burial permit has been issued on a certificate setting out that she died of acute gastritis after an illness of four days. Dr. F. A. Bowman is given as the attending physician, and Drs. Garvin and Hoffman as consulting physicians.
